

## **The Claude Hutcherson Family Endowed Scholarship**

The Claude Hutcherson Family Scholarship is endowed in memory of the late Claude Hutcherson and made possible by family, friends, and former Flying Queens. Claude Hutcherson is remembered for his lasting relationship with Wayland that began with his attendance at Wayland. He graduated from Wayland in 1925 and his love for Wayland continued until his death in 1977. During the 1948 season, he provided air transportation for the Queens to games in Mexico. He assumed the sponsorship in 1950, and the team became known as the Hutcherson Flying Queens.
