

## The Joe C. and Jennie E. Richardson Endowed Scholarship

Honoring Joe C. and Jennie E. Richardson, whose love and sacrifice for their children and whose encouragement to all the family to pursue Christian educations led their son, J.C. Richardson Jr. and his wife, Ada, to establish an endowed science scholarship at Wayland Baptist University in tribute to his parents. J.C. taught biology, chemistry, physical education, and coached men's and women's basketball at W Wayland from 1944-1947. He and Ada were also dorm parents for Matador Hall and are faithful supporters of the University.
