

The Marsha Hutcherson George Endowed Scholarship

The Marsha Hutcherson George Scholarship is endowed in memory of the late Marsha Hutcherson George in order to perpetuate the program and legacy of the Flying Queens. Marsha will be remembered as a longtime family sponsor, avid fan, and booster of the Hutcherson Flying Queens. Marsha attended every home game, coordinated the Queens Court Hospitality Room, and worked every Queens Classic Tournament. She was twice honored with the Roy C. McClung Service Award.

Marsha had a strong loyalty to the Hutcherson Flying Queens that began in 1950 and continued until her death in 2006. Marsha always said she was blessed to be associated with Wayland Baptist University and the Flying Queens.
