

The Pat Garrison Endowed Scholarship

Patricia Kay Nash Garrison was born January 27, 1943 in Petersburg, Virginia. Twenty year later, on March 1963, she married Tom Garrison. Three children were born to the Garrison's; Alice Cole, Joseph Vernon, and Kathleen Lois.

Pat Garrison graduated from Wayland Baptist University in 1986 and received her LPC from West Texas A&M University in 1989.

Mrs. Garrison worked for the Texas Department of Children's Protective Services from 1990 to 1995. She was always involved with children, her own, those at church, the children where she did mission work, the Girl Scouts, and in her work. She was very committed to helping disadvantaged children and she touched many lives through her work with the Children's Protective Services and throughout her lifetime. She was a faithful and active member of the First Baptist Church of Tulia.

On November 11, 1995, Pat Garrison went home to be with the Lord. Her family gives this scholarship in her memory.
