

The Raymond and Frances Dunn Endowed Scholarship

The Raymond and Frances Dunn Scholarship was established by Raymond E. Dunn because of his appreciation of Frances' love and devotion to the religious education of children.

Frances Wynn Dunn was born February 15, 1911, in Kansas City, Kansas. She was married to Raymond E. Dunn on December 31, 1933.

While attending Southwestern Seminary, Mrs. Dunn became more aware of the need for better religious teaching and training of children and specialized in this field.

After her own children were grown, she served for sixteen years as director of Older Preschool and Younger Children in the First Baptist Church of Lubbock, Texas. Here she earned the love and respect of the workers and children alike.

This scholarship is to be administered by the college officials and used to assist in furthering the education of our future religious leaders in homes and business.
