

The Robert J. Dillman Memorial Family Endowed Scholarship

Robert Dillman demonstrated through life that there is no substitute for commitment and dedication to whatever task we have been called to do. His life exemplified his belief in God through his generosity, kindness, encouragement, his “can-do” attitude, sense of humor, and unselfish love.

His love and dedication to his family led his wife, Bobby Lane Wiggins Dillman to establish the Robert Joseph Dillman Endowed Scholarship at Wayland Baptist University.
