Emails will be checked daily (except weekends) and a response will typically be sent within 24 hours unless additional research is needed for the response.

5:30 pm Thursdays Education Building (220) MCBH

Course Information

Survey of the American national government including such topics as the U.S.

Written Reports – Students will complete two video reports and two research reports. Written (no large fonts (12 is normal for essays), margins, or extra spaces), must have a title page, and must have a reference/bibliography page. The assignment must be double-spaced and must be saved as a Word document.

Discussion Board – The discussion board is not graded but will be used as participation in the course. Please remain professional in your postings. Abusive language or disrespect for the opinion of others will not be tolerated. Although the discussion board postings will not be graded, they will be used to determine participation which will be used at the end of the term for determining final grades. To be considered actively participating, the postings must be during the readings of the chapters covered for the corresponding quiz. If a student waits until the end of the term and then posts to all topics, that is
