Attachment C

RTL Policy Application for Any Other WBU Student

For all other students on any campus: All students who might qualify for this policy shall coordinate with the director of health services and submit necessary documentation from a supervising medical provider. Application of this policy alone does not constitute university acceptance of financial responsibility for a non-school-related injury. Once a student is in the RTL Policy, the director of health services shall executive director of student services

school dean or executive director/campus dean director of counseling, career, and d

registrar, and the
