

- iii. Any work that uses generative AI will be treated as plagiarism.
- b. Generative AI tools permitted in specific context and with proper citations.
 - i. Students are allowed to use, reference, or incorporate generative AI tools into specific assignments for this course. When used, students must properly cite

The following statements apply to both the Undergraduate and Graduate Programs:

To ensure that syllabi from course to course and school to school remain consistent, all syllabi for courses in the undergraduate and graduate program must conform to the university's standardized format.
